Dear Judge,

I sent an email to Handschesettlement@gmail.com on April 1, 2016. I didn't receive a response from any staff person if it was received. This email is a part of the registration of comments and objections to certain laws that the NYPD and all police officers in NYS, Suffolk Cty. and Nassau Cty are following.

I am a victim of illegal surveillance since Dec. 2012. I need your help. I have written to many state officials and Washington D.C. with no help. I have not been arrested or convicted of any crime since Dec. 2012, since this surveillance began in my home, public places, family homes, 24/7 monitoring. No legal warrant would be allowed to do surveillance past →

30 day. It's been 3 years into 4 years.

I'm being tortured physically, mentally,
sexual violations have occurred,
sexual harassment. I have proof
police are surveilling me in
my home, internet, phone, public.

And my email gives all the information,

Thank you,

Kelly Wallace

including NYPD Detective
violations against me,
CCRB/OIG NYPD letters.
